Sexual Magic The Erotic Temple And Kabala

The erotic temples in Hinduism in India are famous for the images of the Gods and Goddesses in sexual union on the Temple walls. The Temples were built for specific reasons. The sexual union on the walls is showing the union of the chakra's. This union is the Magnum Opus.

Now today take this as a note for the corruption of Hindu teaching in the east. Popular Hindu spiritual leaders will make up stories to down play this that have nothing to do with the actual reason for them. One story is they are for focusing ones desires on the image till they have no desires left the other famous tale is they put those on the walls to show this all had to be left behind once entered the Temple. However the issue here is the Temples had courtesans in them who engaged in sex with the Rishi's and other Sadhu's on the holy days.

This in the Greek world the Herios Gama the sexual union of the God and Goddess. This is also the other meaning of the Gods who had sex with the women and bore Gods. The union of the male and female chakra's. The Northern mysteries show the Gebu rune as the sexual union as and the ancient images of the Pagan's in the north showed sexual magic and ritual sex as normal. The Goddess Freya initiated men into spiritual knowledge by sexual love. The Gebu rune is the sexual union of man and women. Geb or Gebu the Egyptian God is shown in sacred sexual union with Nut the sky Goddess. The male chakra's are the three lower ones how Geb is shown and Nut the sky the three upper female chakras. Krisna is shown in sexual union with Radha the same way. Krisna and Radha are shown in this image as the six pointed star as well. The Gebu rune.

This was stolen and put into the Kabala by the Jews. The male and female worlds on the tree are Gods and Goddesses who have sexual copulation with each other to generate the divine spark of the Ain Soph. Soph is stolen from.....Sophia the serpent energy. The Kabala Rabbi's practiced sexual magic with their wives on the Sabbath eve. They also practiced sexual orgies to raise massive amounts of energy to then use this to curse Gentiles with and bring about the Jewish agenda This was noted especially in the Jewish Kabala society of Rabbi Frank. His Frankist movement used occult power to become the hidden hand in the French revolution thought his creation of the Illuminati. Frank was the claimed Jewish Messiah of the time. Their movement the Jacobin's took over by the barrel of a gun and brought in the Terror that murdered tens of thousands of people in the most brutal ways only to be replayed again later by the same Jews in the Communist revolutions they ran. The Jews do use occult power to curse the Gentiles.

The Jewish enemy tells the Goyim in their program of Christianity that sex is dirty while they themselves use it for occult power and rituals. The other reason the act of ascending Kundalini energy is shown as sex between two people is because this also does this It creates a powerful energy loop through the spine's of both partners up the spine and out the head activating and flowing energy into the chakra's and nadis to raise the power. This is still openly taught in the Far East in Taoism and the higher level's of Tantric Buddhism which comes from Hindu Shivaism. The ancient symbol of Yoga is the erect Penis in the Vagina the union of male and female which generate Kama the divine energy which forms all of existence the union of Ying

and Yang in Taoism. This energy can be used to regenerate the being as well.

In the Kabala which is the occult key to understanding the Jewish Torah the blue print to enslave the Gentiles. It states that Daath is what caused the fall from Paradise. Daath means the sexual union of the male and female parts of the soul. Adam and Eve were just created as naked dumb animals with the stated purpose to work for "God" which is Yahweh the Jewish Race. But it was spiritual knowledge the serpent that allowed them to realize they were slaves to the Jews when they came to know GOOD FROM EVIL which is what the Serpent whom the Jews state was Satan in the Garden told them would happen. Which is what Yahweh feared. The Garden tale is the original "Oy Veh The Goyim Know!" tale. The deeper level occult narrative of Judaism states the Jewish Messiah Ben Joseph will take them back to the Garden. The world government where the Gentiles are their literal animal property. Ben Joseph in the Rabbinical texts has secretive meaning.....That of Yeshua Ben Joseph....Who is called Jesus Christ to the Gentiles. Jesus in the Bible recreates the garden of Edin in the end of time he returns the Jews to their Paradise where Jesus and the 144,000 thousand Jews who represent the 12 Tribes of Israel rule the planet from the New Zion as God. In Kabala the entire Jewish race is called "God" collectively.

The Gentiles at one point had a risen serpent on this planet which is what the Garden tale warns about to the Jews. The next step was the full Magnum Opus which is what "God" Yahweh the Jewish race and their reptilian entities who the Rabbi's openly state are their Seraphim angels who work for "God". Attacked this planet and humanity to stop. "God" attacked this planet in the story of the Tower Of Babel, because Humanity was close to raising the serpent. This Yahweh in the Garden and the Babel tale warns if the Goyim achieve this then Yahweh the Jewish race will have no power over them and the Gentiles will become Gods and the Jews will be defeated.

Something to notice is with the Jewish run Porn industry all the titles and attitudes are designed to enforce the Jewish program of Christianity attitude towards sex. That it is dirty and disgusting. And then dumb Christians like the good Goyim they are go "oh my gawd sexual feedumb is sooooo sinfool please jooz ban dis".
